CALL FOR
the **DATA ANALYTICS double degree program**
a.y. 2021-22

The deadline for the submission of candidature for **Data Analytics double degree program** is the **7th April, 2021.**

Second-year students, who are interested to it must present by email at rosanna.verde@unicampania.it:

1) a **letter of motivation** for this program and his/her engagement of attending the third year of course in Paris at the University Sorbonne Paris Nord (before denominated "Paris 13")

2) a **list of the taken exams**, at the actual date, and scores

3) a **list of the exams**, you will be able to **take before September 2021**

The selection of 5 students will be provided by considering:

- the number of exams already done and the exams that will be taken before to go to France (almost 70% of exams of first and second year must have done, according to the double degree agreement);

The average score is also considered for the evaluation. Student's motivation is also important for the final evaluation.

INFORMATION ABOUT THE DOUBLE DEGREE PROGRAM

The third-year program is detailed in *Manifesto degli Studi* (*) (page 13) and it replaces the **third-year** course program of Data Analytics.

The students which will attend the double degree program must:

- complete all the exams of **first** and **second year** of Data Analytics degree at the University of Campania "Luigi Vanvitelli";

- complete all the exams of third year at the University Sorbonne Paris Nord (*);

- attend the stage for three months and write and discuss the report (final discussion), in Italy. It is also possible to provide the stage in France with the agreement of the Study Board of the Data Analytics degree.

At the end of the third year, taken all the exams, the degree in "*Informatique"* will be delivered by the *University Sorbonne Paris Nord* and,
after the validation of the stage and the discussion of the stage activity report, the degree in *Data Analytics* will be also delivered by the *Università della Campania "Luigi Vanvitelli"*.
