

Evaluation and Results

TOLC-I : The TOLC-I consists of **50 questions** divided into 4 sections: Mathematics (20 questions), Sciences (10), Logic (10), and Verbal Comprehension (10). The time available to complete the test is **1 hour and 50 minutes**.

English TOLC-E: The English TOLC-E consists of **36 questions** divided into: Logic (13), Verbal Comprehension (10), and Mathematics (13). The time available to complete the test is **90 minutes**.

Scoring System: Evaluation occurs in real-time:

- **+1 point** for each correct answer.
- **0 points** for each unanswered question.
- **-0.25 points** for each incorrect answer.

Both the TOLC-I and English TOLC-I/E are considered passed if the candidate obtains a total score of at least **11 points**.

The **TOLC-I** includes an additional section for English language knowledge, consisting of 30 questions to be completed in 15 minutes. For this specific section, correct answers earn 1 point, while unanswered or incorrect answers earn 0 points.

The test result is **not binding** for enrollment in any degree course.

Registering for the test is not the same as matriculating (enrolling) in a degree program. To matriculate, you must connect to the platform at <https://esse3.cressi.unicampania.it/Home.do> and follow the instructions provided.

Other Information

Students attending the **4th or 5th year** of an Italian or foreign high school in the **2020/21** school year, or those who have obtained a high school diploma in Italy or abroad (if recognized in Italy), can register for the **TOLC**. Participation in the TOLC costs €30, payable by credit card or MAV bank transfer. Information regarding registration for the TOLC Area and test enrollment can be found at the following address:

<https://www.cisiaonline.it/area-tematica-tolc-cisia/regolamento-tolccasa/>

Students wishing to check their preparation level to face the test and who want to practice to pass it can take, freely and for free, the **Practice Test** available at:
